

1. TRAINS

CHAD:
Know why trains don't need differentials?

DARLENE:
Bet you're gonna tell me.

CHAD:
The wheels are cone-shaped so they can ride up & down the rails. That's how they spin different speeds in the corners.

DARLENE:
Wow I gotta post that. The one about the Eiffel tower being six inches taller in summer got me what, two likes and a wow.

CHAD:
Well maybe you just need more friends.

DARLENE:
Well maybe....

RONNIE:
Quiet! I.....I think I got him! He sounds so....powerful. Get the camera and follow my trail!

2. GRANDMA

CHAD:
I saw 'im once when I was a kid.

DARLENE:
I think you've mentioned it.

CHAD:
Not far from here, behind my grandma's place on Wolf Creek. We made eye contact. Looked into each other's souls.

DARLENE:
And that's when he ran?

RONNIE:
Quiet! I.....I think I got him! He sounds so....powerful. Get the camera and follow my trail!

3. **CHUCACABRA**

CHAD:
I saw 'im once.

DARLENE:
Yeah you've mentioned it.

CHAD:
Winter of '93.

DARLENE:
Last time it was fall of '92.

CHAD:
No, that was the Chupacabra in Sonora.

DARLENE:
Got any photos?

CHAD:
No I told you man, the CIA confis...

RONNIE:
Quiet! I.....I think I got him! He sounds so....powerful. Get the camera and follow my trail!

4. **HAIR SAMPLE**

CHAD:
Almost had the 'squatch in '92. Even found his hair on tree bark. Sent it to a lab.

DARLENE:
And?

CHAD:
Unknown species.
Same thing they said 'bout the control sample.

DARLENE:
Control sample?

CHAD:
Yeah...my uh, back hair.

RONNIE:
Quiet! I.....I think I got him! He sounds so....powerful. Get the camera and follow my trail!
